Dear

You have been recommended as a student athlete who is **American Indian** and capable of competing on the college level of competition. Haskell University is a member of the National Intercollegiate Athletic Association, Division II, and is a member of the Midland Collegiate Athletic Conference.

Here is what Haskell University offers:

1. Haskell is tuition free. Semester fees of \$215.00 include housing, meals, and books.
2. Students who qualify for financial aid, receive all financial aid benefits.
3. Quality education in an Associate of Arts or Bachelor's degree program.
4. Housing in a residence hall reserved for student athletes.

The following requirements are set for freshman eligibility by the N.A.I.A. Entering freshmen must meet two (2) of the three (3) to be eligible for competition during the freshman year.

1. A.C.T. score of 18 or better – S.A.T. score of 860 or better.
2. Minimum high school G.P.A. of 2.0 or better.
3. Graduate in the upper 50% of their graduating class.

Please return the questionnaire and I will contact you. Please contact me if you have any questions.
