Dear Coach:

I am looking for student athletes who are **American Indian/Alaskan Native** and capable of competing on the college level of competition. Haskell University is a member of the National Intercollegiate Athletic Association, Division II, and is a member of the Midland Collegiate Athletic Conference.

Haskell University is the only University in the nation with a population exclusively Native America/Alaskan Native. Haskell has a student population of 1,000 who represent approximately 140 tribes and 35 states. We are located in Lawrence, Kansas which has a population of 70,000 and very close to the greater Kansas City metropolitan area.

Here is what Haskell University offers:

1. Haskell is tuition free. Semester fees of \$215.00 include housing, meals, and books.
2. Students who qualify for financial aid, receive all financial aid benefits.
3. Quality education in an Associate of Arts or Bachelor's degree program.
4. Housing in a residence hall reserved for student athletes.

The following requirements are set for freshman eligibility by the N.A.I.A. Entering freshmen must meet two (2) of the three (3) to be eligible for competition during the freshman year.

1. A.C.T. score of 18 or better – S.A.T. score of 860 or better.
2. Minimum high school G.P.A. of 2.0 or better.
3. Graduate in the upper 50% of their graduating class.

Please feel free to contact me if you have any questions.
