

Haskell Indian Nations University

Transfer Policy

TRANSFER CREDIT

The Registrar, with assistance from academic departments, will determine the transferability of credits. Acceptable transfer course credit must carry a grade of "C" or higher (2.0 on a 4.0 scale).

A written evaluation of transfer credit will be made available to students and to their advisors after they are accepted for admission. The evaluation of course credits will indicate which courses have transferred and which courses fulfill general education requirements and Haskell graduation requirements.

Students who have earned credits elsewhere which do not fulfill Haskell degree requirements may take a comprehensive challenge examination or request a review by the appropriate academic department to validate that level of achievement.

Transfer credits are included in the calculation of the student's cumulative grade point average upon graduation.

Students in the associate degree programs must complete 15 credit hours in residence.

Students in the baccalaureate degree programs must complete 30 credit hours in residence.

CREDIT FOR MILITARY SERVICE

The University may grant elective credit for courses completed in military service schools and training provided such credit is baccalaureate level as recommended by the American Council on Education in "A Guide to Evaluation of Educational Experiences in the Armed Services." Based on a review of an official transcript, elective credit may be awarded for general military training. These credit hours will be assigned provided the applicant's duration of military service exceeded one year.

Veterans must provide a certified copy of their form DD-214 or DD-2384 (separation papers) to the Registrar, ATTN: VA coordinator as proof of military service.

The Registrar completes verification in order to receive credit.
