ELECTIVES (3 credit hours minimum)

- General Education requirements are the same for all degrees.
- Refer to a specific department for more information on emphasis requirements.
- An Associate of Arts Degree emphasis includes 15 to 18 hours of specialized and required coursework in one program in addition to the General Education requirements.
- An Associate of Science Degree emphasis requires a minimum of 21 hours of required coursework in one program in addition to the General Education requirements.
- It is possible to earn an AA with an undeclared emphasis provided all General Education requirements have been fulfilled and a total of 60 credits (including General Education credits) are earned.
- Associate degrees are not required for admission into baccalaureate programs.
