Haskell Indian Nations University Security Office
The Haskell Indian Nations University Security Office is located on the first floor of Roe Cloud Hall. The Haskell Security Officers, phone numbers and Hours are as follows:

James Yarnall: 785-760-6192 Tuesday – Saturday 2:00pm – 10:00pm
Charlie Greer: 785-760-6163 Tuesday – Saturday 10:00pm – 6:00am
Russell Bonebrake: 785-760-5939 Thursday – Monday 10:00pm – 6:00am
Lawrence Police Department/Douglas County Sheriff’s Office Authority & Jurisdiction

Haskell Indian Nations University has within its files a formal document signed by President Lyndon Johnson in 1969 giving full jurisdiction to the Lawrence Police Department and the Douglas County Sheriff over the federal property of Haskell Indian Nations University. This action is still honored today. Haskell Indian Nations University is committed to working with the Lawrence Police Department and the Douglas County Sheriff's Office with issues of Public Safety. While Haskell Indian Nations University does have our own Haskell Security Office with security officers on duty, we appreciate the added protection for the health and safety of our students.

Haskell 911 Address System

A map of the campus shows the addresses that are coordinated with the Lawrence Police Department. This is a project that Mr. Lee Pahcody, Director of Facilities, has been working on for the last two years. With this map anyone can give a specific address to a building and the police will know exactly where the location is. This address system should cut down on response times for emergencies.
Preparation and Disclosure of Annual Security Report

Haskell prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our website at

This report is prepared in cooperation with the local law enforcement agencies surrounding our main campus and the Haskell Security Office. Each entity provides updated information on their educational efforts and programs to comply with the Act.

Campus crime, arrest and referral statistics include those reported to the Haskell Student Conduct Office, designated campus officials (including but not limited to directors, deans, department heads, designated Residential Hall staff, advisors to students/student organizations, athletic coaches), and local law enforcement agencies. Counseling Services staff members are not required to report crime statistics to the Haskell Security or Office of Student Conduct, so individuals can speak with counselors confidentially.

Each year, a postcard and an e-mail notification are sent to all enrolled students, faculty and staff that provide the website to access this report. Copies of the report may also be obtained at the Office of Student Rights located in Minoka Hall or by calling 785-749-8415. A link to this report is located on the Haskell webpage under the University Services tab. Upon request, applicants for enrollment or employment will be given a copy of this report. Haskell University provides this information to the United States Department of Education.

Reporting Crimes

Any criminal act, or suspected criminal activity should be reported immediately to Haskell Security by calling 785-760-6192 (T-Sat. 2:00pm – 10:00pm), 785-760-6163 (T-Sat. 10:00pm – 6:00am), 785-760-5939 (Thurs. – Mon. 10:00pm – 6:00am). Emergencies should be reported by calling 911. Any suspicious activity or persons on campus in parking lots, inside buildings, or around residential halls should be reported to Haskell Security. If reported to other Haskell personnel, they will assist students in making reports to Haskell Security.

If off-campus, call 911 to reach the Lawrence Police Department or Douglas County Sheriff’s Office. Non-emergency off-campus reports should be made to Haskell Security (see numbers above) or the Student Conduct Office at 785-749-8415.

Reporting Crimes to University Officials – Campus Security Authorities
On Haskell Indian Nations University’s campus, it is preferred that crimes be report to Haskell Security or the Student Conduct Office. If, however, a crime victim does not wish to report to law enforcement, a report may be made to a Campus Security Authority. Each person listed as a Campus Security Authority should submit reportable offenses to the Office of Student Conduct as they occur throughout the year.

Haskell Campus Security Authorities:

- All Haskell Security Officers
- Executive Staff
- Vice Presidents and Staff
- Deans, Directors and Chairpersons
- Student Services
- Academic Advisors
- Student Housing Staff

Confidential Reporting

The Office of Student Conduct encourages anyone who is the victim or witness to a crime to promptly report the incident to our office located in Minoka Hall. Because police reports are subject to the Kansas Open Records Act, the Student Conduct Office cannot hold all reports in confidence. While confidentiality cannot be guaranteed, all reasonable steps will be taken to protect the privacy of all involved. Victims of crime may speak confidentially with University Counseling Services.

All reports of crime to any Haskell employees, Campus Security Authorities, or Haskell Security will be investigated. Violations of law will be referred to Lawrence Police Department (LPD) and, when appropriate, to the Title IX Coordinator or the Vice President for University Services for Student Conduct Code violation review. All crimes must be reported to LPD to keep an accurate record of incidents, to determine if there is a pattern regarding a particular location, method, or assailant, and to alert the campus community to potential danger.

Campus Notifications

TIMELY WARNINGS
If an incident becomes known to the LPD that may be either an immediate or continuing threat to the campus community, Haskell will issue a timely warning to aid in the prevention of similar
incidents. (LPD also refers to these timely warnings as “crime bulletins.”) A warning will be issued as soon as all pertinent information is available. Incidents that may warrant a timely warning are Clery crimes: homicide, manslaughter, sex offense, auto theft, burglary, robbery, assault, battery, and arson or hate crimes.

Upon the reporting of an incident, the Haskell Safety Office will determine if an incident poses a serious or continuing threat on or near campus. If so, the Safety Officer will issue a timely warning. The warning will include information about the reported offense, the location, a suspect description, and other pertinent information. The warning will not include a victim’s name.

The timely warning will be issued through the Haskell email system to students, faculty, and staff. It will also be posted on Haskell’s website: http://www.haskell.edu. Copies of the warning may be posted in residence halls. The warning will include information about the crime, the response of law enforcement, and any actions needed on campus for safety and to aid in the prevention of similar crimes. The Haskell Safety Office also issues notifications of past crimes that do not pose an immediate or continuing threat as a courtesy to the campus.

Anyone with information warranting a timely warning should contact Gary Goombi, Safety Officer. The Safety Office is located on campus in Winnemucca Hall.

EMERGENCY NOTIFICATIONS
The Safety Officer, or other Authorized Personnel, will issue an emergency notification to the entire campus if a dangerous situation or an emergency exists. This is different than a timely warning, as the notification could be about any significant emergency or dangerous situation, not just Clery crimes. An emergency notification is sent whenever there is a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, employees, or visitors on the campus. The following are examples of significant emergencies or dangerous situations: outbreak of meningitis, approaching tornado, gas leak, bomb threat, or armed intruder.

Sending an emergency notification is the responsibility of Safety Office. The Safety Officer will base their decision on the information they receive from the Public Relations Specialist and Haskell Security officer(s) on scene. Upon verification a legitimate ongoing dangerous situation or emergency exists, Haskell Safety Office or Authorized Personnel will approve the launch of a Haskell E2 Alert message to all users. The safety of all students and employees will be the highest priority. If an Authorized Staff is unavailable or does not give approval in a reasonable amount of time, the Haskell President’s Executive staff has the authority to authorize a Haskell E2 Alert launch. All Haskell E2 Alert messages will include the following: an indication the message is a Haskell E2 Alert, time/date, brief description of emergency, where and when to receive further information. A Haskell E2 Alert message is sent via voice, text and email.
The Haskell E2 Alert system will be tested at the beginning of each semester during normal business hours. An announcement will be sent prior to the test that indicates the date and time of the test. The Safety Officer will conduct a Haskell E2 Alert monthly using a simulated announcement to a pre-designated test group; no announcement will be sent about the monthly tests.

Haskell E2 Alert is a free service and individuals must keep their contact information current. Students, employees, and parents can all sign up for Haskell E2 Alert. [www.haskell.edu](http://www.haskell.edu)

**DAILY CRIME LOG**

Haskell Security Office maintains a daily crime log at http://www.haskell.edu. A printed copy may be viewed at the Student Conduct Office, Minoka Hall Room 105.

**Missing Student Notification Policy and Procedure**

If a member of the Haskell community believes that a student who resides in on-campus housing is missing, he or she should immediately notify Haskell Security. Students may notify the Director of Housing, who will immediately notify the Haskell Safety Office. The Haskell Safety Office will conduct an investigation of the missing student report, including notification to other law enforcement agencies if appropriate, and provide its findings to the Vice President for University Services or designee.

When the Student is determined to be missing for more than 24 hours, the Vice President of University Services or designee will provide notification of the students designated emergency contact or if student under 18, the student’s parents. Students who reside in on-campus housing have the option to designate an individual as a confidential contact to be notified if the student is missing for more than 24 hours.

**Awareness and Crime Prevention Programs**

**SECURITY AWARENESS PROGRAMS**

University departments, such as Human Resources, the Vice President of Academic Affairs, Director of Housing, or Admissions, may conduct orientation sessions for employees and students. During orientation sessions, safety information will be provided and video presentations are presented to Residential Assistants and interested campus groups.

Topics include sexual assault/rape prevention and reporting, vehicle security, room security, crime reporting, domestic violence, and personal security on and off campus.
The Director of Housing, the Student Rights Office and the Counseling Center will provide presentations and educational materials throughout the University community on topics like alcohol and drug abuse, sexual violence, domestic violence, dating violence and stalking. All of the above mentioned departments will also offer information on personal safety. Information for students can be found in the Residential Living Handbook. 
http://www.haskell.edu/universityservices. The Student Code of Conduct can be found under the University Services tab in the Office of Student Conduct on the website. 

CRIME PREVENTION PROGRAMS
The Title IX Office, the Student Conduct Office along with the Counseling Center facilitates programs for students, parents, and employees on a variety of educational strategies and tips on protection from sexual assault, theft and other crimes. The Department of University Services offers crime prevention programs, including a presentation on alcohol and consent, specifically to all Haskell first-year students enrolled in the Vision Quest course.

Crime prevention programs on personal safety and theft prevention are also sponsored by various campus organizations throughout the academic year. Committees such as Haskell University Council and Haskell Managers and Supervisors working on education and training related to crime prevention and awareness activities meet monthly to coordinate efforts and implement programming and campaigns. Safety tips are also found in the Safety Office.

Alcohol and Substance Abuse

ALCOHOL AND SUBSTANCE ABUSE POLICY
Haskell Indian Nations University prohibits the possession, use/consumption or distribution of illicit drugs or alcohol by students, employees, or visitors on Haskell property or as part of any of its activities. Violations of this policy, applicable city ordinances, or state law will result in disciplinary action as well as criminal prosecution. The Haskell Student Code of Conduct contains these prohibitions and establishes appropriate sanctions for violation of the Code of Conduct. The Student Handbook sets forth prohibitions in the Student Code of Conduct, beginning with page 36.

The sale, distribution, and/or possession of alcoholic beverages are prohibited on campus.

ALCOHOL AND SUBSTANCE ABUSE INFORMATION
The Office of Student Conduct provides information about alcohol and substance abuse on campus.
Sexual Assault and Domestic Violence

TITLE IX AND CAMPUS SAVE/VAWA
Haskell Indian Nations University prohibits discrimination on the basis of sex. One form of sexual discrimination is sexual harassment, which includes sexual assault, domestic violence, dating violence, and stalking.
All individuals must be allowed to pursue activities at Haskell free from sexual harassment, unwelcome sexual advances and sexual violence or harassment based on race, color, religion, age, national origin, ancestry, tribal affiliation, disability, sex, sexual orientation, gender identity, genetic information or marital or parental status. Such conduct will not be tolerated. The responsibility for maintaining a harassment free campus environment rests with all Employees and Students, and others while on the Haskell campus or involved in Haskell-sponsored activities.

The Title IX Coordinator is responsible for investigating alleged violations of the policy and recommending sanctions for responsible parties. Action will be taken to end the harassment, eliminate any hostile environment, prevent its recurrence, and remedy its effects.

Retaliation against someone who files a complaint of sexual harassment (including sexual violence, domestic violence, dating violence, and stalking) or participates in an investigation is strictly prohibited.

Haskell’s policy and procedures on sexual harassment/discrimination and retaliation is found at Title IX Coordinator’s Office at:

PREVENTION PROGRAMS

Haskell Indian Nations University offers sexual assault education, literature, and other information programs through various departments, such as the Office of Student Conduct, University Housing, Human Resources, and the Counseling Center.

Haskell Indian Nations University has staff and services in place to assist students in reducing the risk of being the victim of a sex offense by providing various programs for students to raise awareness of rape, acquaintance rape and other sex offenses, as well as to take such disciplinary action as appropriate under University Services policies to sanction the offender.
Additional Information concerning services and programs such as Ga Du Gi and Willow Domestic Violence Women’s Shelter may be obtained in the Counseling and Testing Office, Stidham Union.

For more information about educational and training programs, see the Vice President of University Services Office.

REPORTING AND PRESERVING EVIDENCE OF SEXUAL ASSAULT

The policy contained in the Student Handbook explains that the victim should notify the Haskell Counseling Center or Lawrence Police Department, and should take steps to preserve evidence. A victim’s first priority is to get to a safe place and obtain any necessary medical treatment. They should take steps to preserve evidence, including clothes worn before or after the assault and avoid showering/bathing until after seeking medical attention. The Haskell Counseling Center encourages victims of sexual assault to report the incident as soon as possible, as time is a critical factor in evidence collection and perpetrator apprehension. The first responder will respond to the report and secure the crime scene. If LPD is called to investigate the crime, they will notify the victim’s family upon request. The Counseling Center will notify the Title IX Coordinator, and provide information about counseling and other services. If a victim requests a change in academic, living, transportation, and working situations following an alleged sexual assault, the University will accommodate them whenever possible. The University will assist students or employees with these changes even if they don’t report the offense to police.

REPORTING AND PRESERVING EVIDENCE OF DOMESTIC VIOLENCE AND STALKING

A victim’s first priority is to get to a safe place and obtain any necessary medical treatment. They should take steps to preserve evidence by photographing and documenting all injuries, preserving all evidence of communications including text messaging and call logs, and noting the names of anyone who may have witnessed the incident. Haskell Indian Nations University encourages victims of domestic violence and stalking to report the incident as soon as possible, as time is a critical factor in evidence collection and perpetrator apprehension. The Counseling Center will respond to the report, secure the crime scene. If LPD is contacted, they will investigate the crime and notify the victim’s family upon request. The Counseling Center will notify the Title IX Coordinator, and provide information about counseling and other services. If a victim requests a change in academic, living, transportation, and working situations following an alleged assault, the Haskell will accommodate them whenever possible. Haskell will assist students or employees with these changes even if they don’t report the offense to police.
Students can report an offense to the Counseling Center or the Lawrence Police Department, or they can notify the Title IX Coordinator. Other campus officials can assist a victim with deciding whether to report a crime if they haven’t already notified police and inform them of resources like the Willow Domestic Violence Women’s Shelter. This Center can assist individuals with notifying police or obtaining a protection order from the court.

**UNIVERSITY DISCIPLINARY ACTION**

The Title IX Coordinator is responsible for determining if an alleged sex offense or gender violence incident (dating/domestic violence or stalking) violated Haskell’s sexual discrimination policy. He or she will investigate a complaint, recommend sanctions, and take steps to eliminate the sexual harassment, prevent its recurrence, and address its effects.

The policy further explains that complaint procedures will be prompt, fair and impartial to all parties. The Title IX Coordinator will conduct the investigation and complaint procedures and has been trained on issues related to domestic violence, dating violence, sexual assault, and stalking. During an investigation and hearing, both the accuser and the accused will have the same opportunity to present evidence and witnesses; have an advisor present; and be entitled to confidentiality.

The Title IX Coordinator will determine whether Haskell’s policy has been violated using the preponderance of the evidence standard. This means the Coordinator will determine if it is more likely than not the policy was violated. Both parties will be notified in writing of the outcome of any investigation and campus disciplinary proceeding about an alleged sexual assault and the right of both parties to appeal the finding and sanctions. If the alleged victim is deceased as a result of such crime, the next of kin will be notified. Student and employee disciplinary procedures are independent of any actions taken by criminal and civil courts.

**SANCTIONS AND PROTECTIVE MEASURES**

After a final determination that a student or employee has violated Haskell’s policy prohibiting Sexual Harassment, specifically by the offenses of rape, acquaintance rape, domestic violence, dating violence, sexual assault or stalking, sanctions may be imposed. For employees, sanctions could be suspension, immediate dismissal or others as listed in the Human Relations policy. For Students, possible sanctions range from written reprimand to expulsion, as listed in the Student Code of Conduct.

For victims of rape, acquaintance rape, domestic violence, dating violence, sexual assault or stalking, Haskell may also impose protective measures. These measures include issuing an Emergency Suspension Notice (prohibiting an individual from being on Haskell property); limiting an offender’s presence on campus to classes or related requirements; prohibiting an
offender from entering particular buildings, including residence halls; or other measures as appropriate.

Haskell may also assist victims with changing academic, living, transportation, and working situations if so requested by the victim and reasonably available after a final determination of such violations. Victim information sheets containing information about counseling, health, mental health, victim advocacy, legal assistance and other on and off campus resources are available at Haskell Counseling Center, the Title IX Coordinator’s office, Student Health Services, Vice President for University Services office, Human Resources, Office of Student Conduct and Residential Living.

CONFIDENTIALITY

All information will be kept securely and privately and only shared with individuals responsible for handling investigations or sanctions (e.g., Title IX Coordinator or Office of Student Conduct.) To the extent permissible by law, identifying information about the victim will be withheld from any public record request for documents.

If a victim requests his or her name not be revealed to the accused or that Haskell not investigate, the University’s ability to fully respond will be limited. If such a request is made, the Title IX Coordinator will evaluate whether the request can be honored while still providing a safe and nondiscriminatory environment for all students. If Haskell can honor the request, it will still take reasonable steps to respond by offering support, increased security, education programs, etc.

CONFIDENTIAL ASSISTANCE

Most campus employees are required to report an incident of sexual assault, domestic violence, dating violence, or stalking to Haskell’s Title IX Coordinator so that she can investigate the incident. Some individuals are not required to report a victim’s name without their permission, only general information, and others are not required to report any information. Haskell has designated the following Title IX Coordinator for the entire university system to coordinate its compliance with Title IX and to receive inquiries regarding Title IX, including complaints of sex discrimination:

Danelle McKinney
Interim Title IX Coordinator/Student Rights Specialist
155 Indian Avenue
Lawrence, KS 66046
(785)749-8415
dmckinney@haskell.edu
Students who wish to report sex discrimination or sexual harassment should file a complaint with the Title IX Coordinator at 785-749-8415.

**Complete Confidentiality:**
- Haskell Indian Nations University Counseling Services (free)

**Some Confidentiality:** (Not required to report a name or identifying information unless victim agrees, but may report general information, such as nature, date, time and general location)
- Ga Du Gi Center, Lawrence, KS
- Lawrence area hospitals and clinics

**SEX OFFENDER REGISTRATION**
In accordance to the Campus Sex Crimes Prevention Act of 2000 (CSCPA), which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974 (FERPA), the Student Conduct Office provides a link on its web site to the Kansas Bureau of Investigation (KBI) Registered Offender

The Act requires higher education institutions to identify where information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders to provide notice to each higher education institution if the sex offender lives on campus, is employed by, carries a vocation, or is a student at the school. In Kansas, convicted sex offenders must register with their local Sheriff’s Office.
The KBI Registered Offender web site may be searched by name, street address, city, zip code, or county. The Kansas Bureau of Investigation (KBI) periodically provides Haskell Indian Nations University with names of registered sex offenders who indicate they are either enrolled at, or employed by, Haskell Indian Nations University.
This list of names is maintained at the Office of Student Conduct.

Fire Safety Systems
At Haskell Indian Nations University, fire safety is taken seriously beginning with our College Residential Assistants, and including, housing staff, faculty, and executive staff. On-campus, federally-owned student housing facilities are provided with automatic fire sprinkler systems. The on-campus student housing facilities also are provided with smoke detectors, fire alarm systems and fire alarm annunciation and monitoring. The systems are monitored by an off-campus central station monitoring system meeting national accreditation. The alarm monitoring service provides twenty-four hour, seven days per week protection.

Supervised and planned fire evacuation drills are conducted at least once each semester in residence halls. Drills are documented and forwarded to the Lawrence Fire Department.

Description of Residential Halls Fire Suppression and Fire Alarm Systems:
1. Automatic fire sprinklers are installed within the residential living units and storage areas.
2. Emergency lighting is provided in exit access areas.
3. Emergency central station answering services respond upon activation of the automatic sprinkler system.

Fire Safety Policies
Our university policies regarding fire hazards, portable electric appliances, smoking, cooking, candles, incense, and open flames may be found in the Residential Living Handbook: http://www.haskell.edu/housing.

Students are given a link to this Handbook and informed of its policies by Residential Living staff. Students are required to follow the Handbook and comply with all rules. This Handbook describes certain electrical appliances (ones with open coils) that are prohibited in residence halls, as well as guidelines for safe use of appliances that are permitted (popcorn poppers, coffee makers, microwaves). Smoking is not permitted inside residence halls or within 25 feet of any building. Additionally, candles or other open flames are prohibited in residence halls and will be confiscated.

Haskell prohibits making a false fire alarm. Initiating a false alarm is a Class A misdemeanor. If convicted, a person could be sentenced for up to one year in the county jail and/or a fine of up to $2500. Haskell students will also be adjudicated through the University’s disciplinary system.

Emergency Student Housing Evacuation
Once a building alarm system is activated, the transmitted alarm alerts the Haskell staff who initiates the emergency response. In the event of a fire, individuals are to exit the building using the stairway, call 911 if not in immediate danger.
Fire evacuation plans and staging areas are found here: http://www.haskell.edu/facilities. Students are to remain outside the building until they receive permission to re-enter from the Lawrence Fire Department or Haskell staff has given an all-clear notice.

Haskell has prepared further evacuation information that may be reviewed at http://www.haskell.edu/facilities. This site contains information about assisting individuals with disabilities, the importance of and proper use of fire doors, and inspection, testing and location of fire extinguishers.

**Fire Education and Training**

Haskell’s Director of Safety & Planning trains Residential Living staff annually on procedures, risk management, weather procedures, emergency response, and fire and tornado procedures. College Resident Assistants are trained every 3 years in proper use of fire extinguishers. Residential Living staff, including Residence Assistants, explains fire evacuation procedures, that participation in drills are mandatory, and other fire safety information to residential students at floor meetings. Students and employees are also trained to find safety resources online: http://www.haskell.edu/facilities. This site contains links to severe weather shelter locations, cooking safety information, building evacuation information for all and those with disabilities.

**How to Get Help and Report Fires**

Fires should be reported to Residential Living Staff or Haskell Security. It is important to report all crime and/or fires, suspicious activity, or persons. In fact, anything that makes a student feel uncomfortable should be reported. If students are not sure what type of help is needed, they are instructed to call the Residential Living Office, the RA on duty, or Haskell Security.
