## Summer School 2012

Haskell Indian Nations University will have a six week summer session for 2012. The dates for the summer session are May 21 to June 29, 2012.

Dr. Venida Chenault, Vice President for Academics, has stated that the priority for courses will be those that are “out of sequence of the rotation for the bachelor degree programs and high-demand general education classes.” At this time the enrollment is set for continuing students only. The course schedule developed by Academics will be available on or before pre-enrollment in April 2012.

The university is pleased to provide this opportunity to further the academic pursuits of our students. Inquiries to this announcement should be directed to Stephen Prue at [Stephen.prue@bie.edu](mailto:Stephen.prue@bie.edu) or by calling 785-832-6644.
